3. COURSE/TRAINING ABSTRACT*

EUniWell invites all intercultural trainers from our universities to participate in a dynamic co-creation workshop. Together, we will collaboratively develop concepts for various training formats with a focus on intercultural competencies and communication, drawing on our diverse backgrounds to create innovative solutions.

The workshop will be conducted in English, bringing together an international group of professionals, as a **train-the-trainer** programme. Experience in the field and a keen interest in implementing these training programmes at your own institution are highly desired. Your unique experiences and perspectives will be invaluable as we explore and craft new training approaches that resonate across cultures.

Don't miss this opportunity to contribute to and learn from a truly global exchange of ideas.
